

Phase-II Construction: News

- Phase-II Schedule

- expect news on the June SPC/Council week (June 15-19) timescale

- Communications w/ Sub-System Communities

- confusion within US ATLAS community on Phase-II process
 - need to do a better job of keeping people informed
- suggest that L2 managers organize periodic meetings with their communities
 - “several” between now and CD-0
 - broad advertisement of these meetings: through IB?
- first meeting(s)
 - present tentative WBS ==> proposed US responsibilities
 - solicit input on other possible opportunities
 - make sure that no new effort/groups are overlooked
- please include me on any communications with your community
